

## Weatherproof H - 100 Halogen Illuminator

The H-100 fibre optic illuminator is an economic halogen fibre optic illuminator perfect for interior applications such as star ceilings, cabinet lighting, bar lighting etc.

Our unique design also integrates a second 240V power plug which allows the effect wheel to be remotely switched through a wall plate or home automation system making it perfect for applications where the illuminator is stored in hard to reach locations.

## Technical Specifications

Product Description	Weatherproof H - 100 Halogen Illuminator
Height	125mm
Width	200mm
Length	240mm
Input Voltage	210 ~ 240 VAC 50/60Hz
Power Consumption	130W
Construction	316 marine grade stainless steel
IP Rating	IP 65
Effect Wheel	8 Colour Wheel: (White, Purple, Yellow, Blue, Green, Orange, Sky Blue and Grass Green) Twinkle Wheel: (mesh wheel with white and fragments of blue)
Motor Speed	1 RPM
Motor Switch	240V power plug to allow switching via wall plate or home automation systems 'Colour Select' button on front of unit
Lamp	Osram 100W Photo-Optic Halogen lamp
Fibre Capacity	500 x 0.75mm fibres maximum
Environment	Ambient operating temperature of +5° to +40° C
Filters	Combined IR and UV
Dimensions	240mm L x 200mm W x 125mm H
Weight	3.6 Kg

**IP Rating**  
IP 65

**Input**  
240V

**Power**  
130W

**Fibres**  
500 max

## Product Code

Illuminator	H-100-WP
